Though much is taken, much abides; and though
We are not now that strength which in old days
Moved earth and heaven, that which we are, we are -
One equal temper of heroic hearts,
Made weak by time and fate, but strong in will
To strive, to seek, to find, and not to yield.

— from Ulysses
Alfred, Lord Tennyson

Oath of Hippocrates

I do solemnly swear by that which I hold most sacred that I will be loyal to the Profession of Medicine and just and generous to its Members.

That I will lead my life and practice my Art in uprightness and honor.

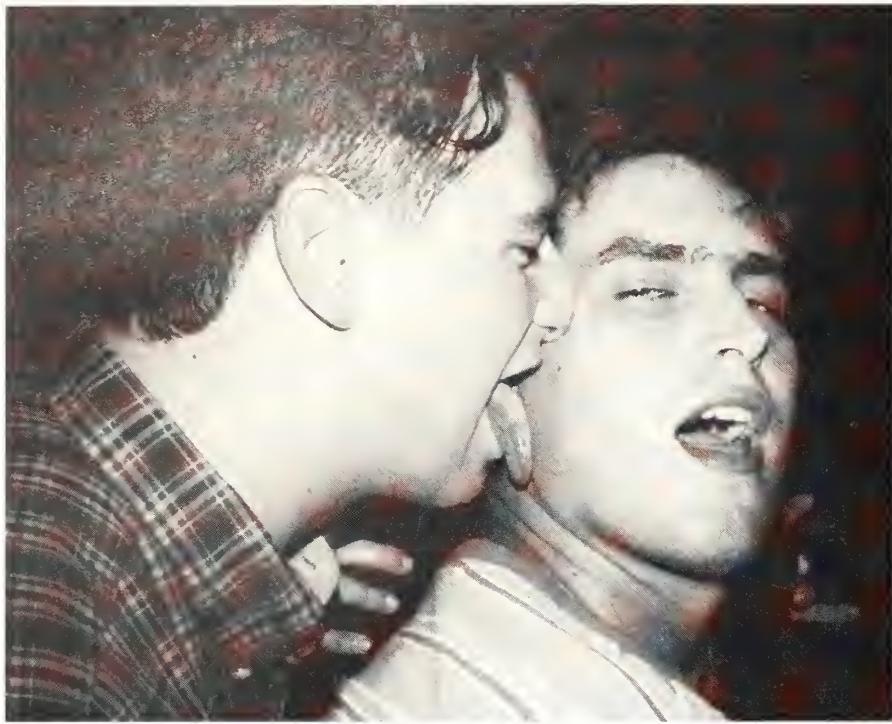

That into whatever house I will enter, it shall be for the good of the sick to the utmost of my power.

That, holding myself aloof from wrong, from corruption, from the tempting of others to vice, I will exercise my Art solely for the cure of my patient and will give no drug, perform no operation for a criminal purpose, even if solicited, far less suggest it.

That whatsoever I shall see or hear of the lives of men which is not fitting to be spoken, I will keep inviolably secret.

These things do I promise. And in proportion as I am faithful to this, my oath, may happiness and good repute be ever mine. In the opposite if I shall be foresworn.

Seniors. It's lonely at the top.

Things to look forward to -

- 1.) Not being yelled at for breaking "sterile field"
- 2.) Never having to hold a retractor for 4 hours again
- 3.) No more bull pen
- 4.) The smell of cauterized tissue (Unless, of course, you're going into Surgery)

*Through all the hard work and strife
And the time away from home,
Through all the endless, sleepless nights
And the loneliness we've both known;
To a time of new beginnings
The best is yet to be,
My pride for you is endless
My love for you complete
As God has pulled us through this
In Him we did depend
I truly thank him for you Denis,
My life, my love, my best friend.
I love you Denis

Our Dearest David

Some people search their entire lives and never fulfill their true passion and love. This will not be your fate.

Your magical realization came at the precocious age of eight, when your physician saved your life and you vowed to continue in his footsteps.

Twenty years later, you are about to transcend your dreams and create a new reality.

You have armed yourself with the requisite knowledge and information. This combined with your warmth, empathy and compassion will enable you to become the consummate healer.

You might not have that Porche in your garage, but you have acquired a wonderful education. The priceless gift that will always be rewarding and forever giving.

Life is a journey, not a destination, one that will be filled with many hills and valleys, sunrises and sunsets, and rainstorms and rainbows.

Keep reaching for the stars, they have proved to be magical and within your grasp.

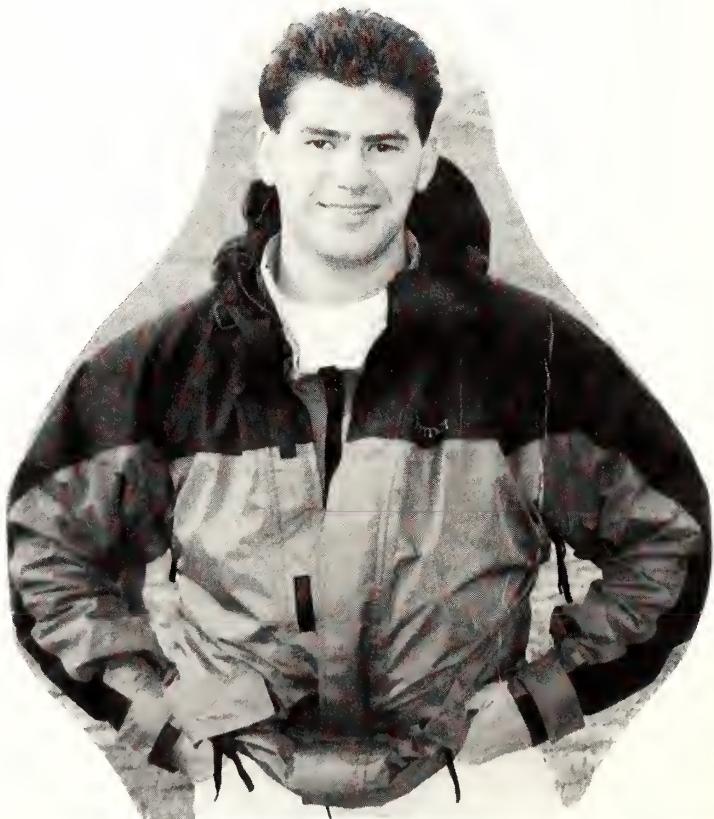

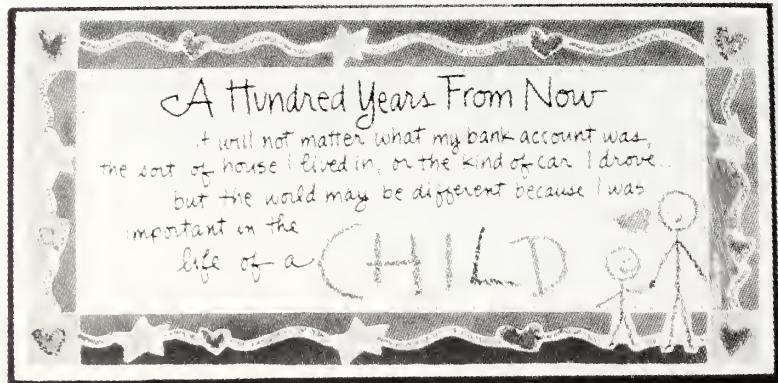

We love you very much and are impressed by all your accomplishments.

We know this is only the beginning. Keep dazzling us!

With all our love, best wishes and support for the future, Grandpa, Lil, Dad, Bea, Shira, Carrie, Jeff, Ashley Rose and Chelsea Starr

XOXOXOXOXOXO

Ricky Davidson,
God gave you the strength, the
wisdom, and the mind
To achieve what you have in His own
time.
You're a very special person, so
unique in all your ways
And The Great Beloved Physician
will complement your days.
In a world that's sometimes cold,
you show that you really care
By reaching out, giving your time,
when it could be spent elsewhere.
You have always been so different in
everything you have done
And watching you develop from birth
to manhood
Has been apprehensive, exciting
and so much fun!
God bless you and congratulations!
